The media files you need – at one glance

Extended – and even more intuitive: Panasonic Industry relaunches its online library Mediapool and broadens its offer – still for free and without registration.

MUNICH, MARCH 2021

High- or low-res images, comprehensive datasheets or specific product leaflets: Panasonic Industry's online library Mediapool has become a reliable address for everyone interested, buying or distributing products from one of the world's leading technology companies.

Now, Panasonic Industry Europe has relaunched its website – and adapted its Mediapool accordingly: Product pictures, dimension drawings, handbooks, white papers, fighting cards, videos and many more assets can be found there now even easier, aligned to the new and more intuitive website structure.

The content has been extended – not only in the highly demanded fields of capacitors, semiconductors, optical devices, relays or industrial batteries, but also with comprehensive material from the company's range of wireless modules, solar panels, MMI, servo drives and sensor products.

PRESS RELEASE

Good to know: The entire Mediapool of Panasonic Industry still is one click ahead – and allows full access to everything without any kind of registration.
